

Red Laser Sight for Pistols with Tactical Slide, 2 Super Bright Blue LEDs, Pad Switch

LS03-EC01-M4

Overview

The laser sight is used to aid in target acquisition. It is added to fit to your firearm, by which the laser sight projects a beam onto the target to help provide a visual reference point.

Features

- Red laser sight designed for pistols with tactical slide
- With 2 super bright blue LED
- Pad switch

Notes: Please check the tactical slide of your pistol before ordering LS03 laser sights. Standard M4 mounts do not fit S&W 40 series.

Switch and Mount

Patented laser sight with 2 super bright Blue LED and pad switch. You can use 2 super bright blue LEDs to identify the surrounding while you are targeting in the dark. The constant pad switch can further help you to improve your shooting stability.

Recommendation to Apply for Most Pistols with Tactical Slide.

Additional Notes

- [Warning] Laser radiation is harmful. Please avoid direct eye exposure.
- Never aim or shine a laser aimer or gun sight at anyone.
- Do not buy laser aimers or gun sights for your children.
- You must be 18 or older to purchase Laser Sights. All Laser Sights are shipped by UPS or FedEx and require an adult signature upon delivery. Laser Sight cannot be sent to New York City. Please check your State, County and City laws for restrictions before ordering laser sights.
- Specifications are subject to change without notice.
